OBJECTIVE

As a recent graduate with a passion for front-end development, I bring a solid foundation in HTML, CSS, JavaScript, and a keen interest in ReactJS. Eager to contribute creativity and dedication to a dynamic team and grow as a professional developer.

PROJECTS

Property Management Dashboard

Developed a responsive property management admin dashboard using React.js and Bootstrap.Integrated with a Node.js backend and MongoDB for dynamic data rendering.Implemented pagination, API integration, and responsive card layouts.Portfolio Website

Portfolio website

Created a personal portfolio website showcasing skills and projects using React.js, Bootstrap, and custom animations.Integrated a 'Resume' button to download the resume directly from the site.

Experience

React.js Intern

[kite career], Tenkasi   (july 2024 - Present)

Developed and maintained responsive user interfaces for web applications using React.js and Bootstrap.Collaborated with backend developers to integrate RESTful APIs using Axios.Implemented reusable components and optimized performance for mobile devices.Assisted in the design and development of a dynamic admin dashboard.
